

TENDER NOTICE

Ref: RFT 379828 - WHH/BGD/CO/098

Call for Tenders Announcement: Endline Evaluation of “Strengthening smallholder farms and rural enterprises to better cope with climate change in the vulnerable Haor region of Bangladesh” project.

As part of the implementation of the Endline Evaluation of Strengthening smallholder farms and rural enterprises to better cope with climate change in the vulnerable Haor region of Bangladesh (BGD- 1032) project. Titled: Endline Evaluation of “STRENGTHENING SMALLHOLDER FARMS AND RURAL ENTERPRISES TO BETTER COPE WITH CLIMATE CHANGE IN THE VULNERABLE HAOR REGION OF BANGLADESH” the Non-Governmental Organization Welthungerhilfe (WHH) Bangladesh is seeking a consultant or study Firm to conduct a “**Endline Evaluation**”

The application must be submitted online via the tender portal. Each bidder must **first register** as a consultant on the eTender portal to participate in this call for tenders: <https://eu.eu-supply.com/app/rfq/viewtransaction.asp?TID=379828> Once registered, the supplier can download all relevant documents and respond to any questions available on the **eTender portal**.

By clicking on this link, you will be directed to the main page of Welthungerhilfe’s tender portal, where you will find the supplier guide for electronic tenders and can watch instructional videos on how to register your company.

The submission deadline for offers is **November 25, 2024, CET 16.00** on the portal. No submissions will be accepted at the Welthungerhilfe office.

For any questions regarding registration on the eTender portal, please contact the following individuals:

NjiKum.Simonet@welthungerhilfe.de and/or shahidul.kakhan@welthungerhilfe.de.
