Dear Madam/Sir,

BRAC and the HSBC Bank, along with the support from the BEZA have planted a mangrove patch on the coast of National Special Economic Zone, Mirsarai. The plantation has created habitat for biodiversity. Currently 71 acres land has been planted; 54 acres of that plantation is 4 years old and rest part is one and half years old only.

The objective of the consultancy service is to assess the Biodiversity and Ecosystem Value using the appropriate methodologies.

For this reason, we are looking for a suitable consultant/ consultancy firm to serve the purpose.

Here we are enclosing the ToR for the consultancy service. We are looking forward to receive (i) CV/ Profile of the Individual mentioning the required experiences as per the attached ToR (ii) a technical proposal describing the methodology (iii) a budget for the assignment
