HIRING OF A SERVICE PROVIDER TO RECRUIT, EMPLOYE AND MANAGE CONSULTANTS FOR DELIVERING PROGRAMMATIC AND RELATED ACTIVITIES FOR NUTRITION INTERNATIONAL BANGLADESH.

Nutrition International (formerly Micronutrient Initiative - MI) is an Ottawa-based, international not-for-profit organization dedicated to ensuring that the world's most vulnerable people, especially women and children in developing countries get the vitamins and minerals they need to survive and thrive. Working with impacted families, communities and nations, we are improving lives of close to [500 million people in more than 70 countries](#) across Asia, Africa and Latin America. NI is supported by the Global Affairs Canada (GAC), Government of Canada and other generous donors. In India, NI is working with the Ministry of Health and Family Welfare to help address the challenge of malnutrition. NI Bangladesh program will help inform government policy and national health guidelines to make nutrition programs increasingly effective and inclusive. NI will also work with local government units to strengthen nutrition programs for the vulnerable – especially pregnant women, infants and young children.
