

CALL FOR TENDER

Médecins Sans Frontières – (MSF) Bangladesh mission is launching a **Call for Tender** for the **construction of a new Laundry and Logistic Storage**. The building is the second of a series of twelve planned under the hospital's revised masterplan.

Works cover the full building, its water and electrical systems (supply of electrical materials excluded), the 535 m² platform, and adjacent external works at **Kutupalong Secondary Healthcare Hospital**.

Project Location:	Kutupalong Secondary Healthcare Hospital, Ukhiya, Cox's Bazar, Bangladesh.
Deadline submission of queries:	<u>4th October 2026 @ 17:00 hours</u>
Deadline submission of offer:	<u>18th October 2026 @ 17:00 hours</u>
Desired start of works:	<u>15th of November 2026</u>
Scope of work:	Single-story masonry construction with concrete structure and metal roof (~225 m ²), sited on a flood-elevated platform (535 m ²) hosting a covered drying shed and circulation space. Scope includes civil, plumbing and electrical works plus external platform works as per the drawings, BoQ, and technical specifications.
Eligibility:	Bidders must have completed at least five projects of comparable complexity in the last eight years . The tender package will be shared only after MSF receives the signed and stamped NDA from the interested bidder.
For all detailed drawings and terms of submission please contact:	Email: <u>cxb-tender@oca.msf.org</u> When requesting the tender documents by email, interested suppliers must use the following email subject format: <i>Subject: Request for Tender Documents - MSF KTP Hospital Laundry and Logistic Storage Construction - [Company Name]</i>

- The contact details are provided only for interested suppliers or contractors to request the tender documents and project details.
- Offers, bids, quotations, or any formal submission must not be sent to this contact unless clearly instructed in the tender documents.
- Formal bid submission must follow the official submission process mentioned in the tender package.
